

Hi XXX,

I saw your article about how [deepfakes are being used for disinformation](#) and wanted to connect you with Marc Owen Jones, an expert on social media and disinformation, for future stories.

Marc is a social media analyst and professor at Hamad bin Khalifa University at the Qatar Foundation's Education City in Doha. His expertise is social media, disinformation campaigns, online bots and strategies of informational control used by state and non-state actors. Recently, the [Daily Beast](#) highlighted his research in an article about U.S. right-wing media outlets publishing content from fake experts.

I think you will find Marc's research and insights valuable for your reporting. Please let me know if you'd like to set up an intro call.

Very best,
